Westlake Elementary Chess Club

Project Link is pleased to offer K-4 **Westlake Elementary** students the exciting opportunity to learn and play the game of chess!

Many studies have shown that chess improves higher level thinking skills such as memory, concentration and pattern recognition. In addition, chess provides opportunities for social interaction with family and friends and people of all ages, cultures and nationalities.

No previous experience necessary – students start at their own level. Instruction will be provided by **Progress with Chess,** a local nonprofit organization with chess programs in over 50 area schools and recreation centers. Sessions will include interactive lessons and structured open play a supportive environment. Come join the fun!
