Progress with Chess

We are pleased to invite **Lomond** students in all grades to engage in learning and playing the exciting game of chess.

Many studies have shown that chess playing improves higher level thinking skills such as memory, concentration, and pattern recognition. In addition, chess provides social opportunities with family and friends and people of diverse ages, cultures, and nationalities.

No previous experience necessary – students start at their own level. Instruction will be provided by **Progress with Chess,** a local non-profit organization with conducts chess programs in over 50 Cleveland area schools and recreation centers, including all Shaker City Schools.
