To Whom It May Concern:

On the behalf of Michael Joelson and Staff from Chess For Success, I would like to acknowledge the dedication and the hard work that was put in to make the Earle B. Turner Recreation Chess program a success.

Over the past year the Chess For Success program has proven to be an outstanding and learning experience for our Recreation and all of our patrons that were involved. The leadership and knowledgeable staff were very helpful and a pleasure to work with. As the new season begins it is with high hopes that the Chess For Success program will continue to provide our Recreation Center (Earle B. Turner) an opportunity to continue.

Sincerely,
