# PROGRESS WITH CHESS

*Proudly Offering*

High quality, affordable chess camps since 2003.

*Welcome*

All ages and skill levels are welcome. Your child will thrive in a safe and supportive environment, small group settings.

*Staff and Instructors:*

**Progress with Chess** provides an experienced staff of professional instructors that work year round teaching chess in school settings. We are ably assisted by high school and college chess club members. Our large staff allows campers to receive plenty of individual attention at all levels.

*Camp Format:*

Beginning campers will learn the rules and moves of the pieces, while more advanced students explore strategy, tactics, endgames and checkmate patterns. Participants will engage in interactive lessons and problem solving, with ample time allotted for supervised open play. We will take a short recess in the morning and afternoon to engage in physical activity. Lunch and recreation time is from 12 pm to 1 pm daily.

*What to Bring:*

Full day campers bring lunch, all may bring snacks if desired. Pizza Party Friday!
