

Progress With Chess

Menlo Park Academy is pleased to offer students in grades 1-8 the exciting opportunity to learn and play the game of chess online!

No previous experience necessary – students start at their own level. Instruction is provided by **Progress with Chess**, a local non-profit organization with chess programs in over 50 area schools and recreation centers. Sessions will include interactive lessons using Zoom and live play on ChessKid in a supportive and safe environment. Come join the fun!
