---

## **CLASS DESCRIPTION:**

Classes consist of interactive chess lessons on Zoom using an online chess demonstration board, reinforced by group problem solving and live supervised online play on ChessKid, a safety-first chess website (students in grades 1-5) or Lichess.org for students in grades 6-12. All participants in grades 1-5 receive a **ChessKid gold account** (\$49 value) at no additional charge for the duration of the session.
