

Progress with Chess Boulevard Elementary Chess Club *Online!*

We are pleased to invite Boulevard students in grades K-4 to engage in the exciting opportunity to learn and play chess safely online in a safe and supportive environment!

No previous experience necessary – students start at their own level. Instruction will be provided by **Progress with Chess**, a local nonprofit organization that has conducted chess programs in Shaker Schools for 20 years! Chess improves higher level thinking skills such as memory, concentration and pattern recognition, and provides many opportunities for positive social interaction. Sessions will include interactive lessons using Zoom and live play on ChessKid and will include a **FREE ChessKid Gold account** for the duration of the session. Come join the fun!
