

Progress with Chess Roxboro Chess Club *Online!*

We are pleased to invite Roxboro students in grades 1-5 to engage in the exciting opportunity to learn and play chess safely online!

No previous experience necessary – students start at their own level. Instruction will be provided by **Progress with Chess**, a local nonprofit organization with chess programs in over 50 area schools and recreation centers. Chess improves higher level thinking skills such as memory, concentration and pattern recognition and provides many opportunities for positive social interaction. Sessions will include interactive lessons using Zoom and live play on ChessKid.com in a supportive and safe environment. Come join the fun!
