# Symbols for Writing Chess Notation
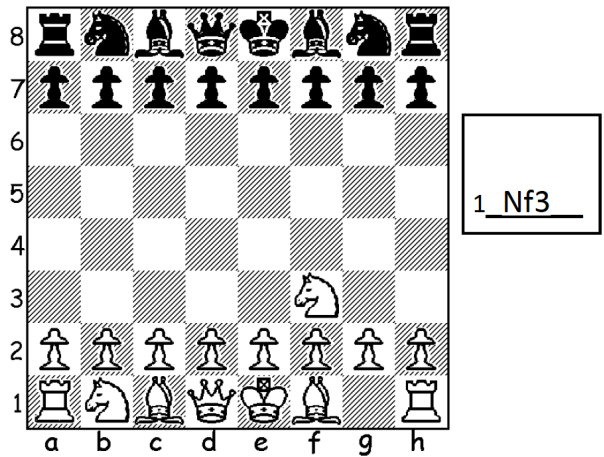

**K**=King  **Q**=Queen  **R**=Rook  **B**=Bishop **N**=Knight

When moving a pawn no letter is needed which indicates a pawn move.

Other symbols to use are **0-0**=Kingside Castle  **0-0-0**=Queenside Castle **+**=Check **++**=Checkmate and  **=** means pawn promotion followed by the letter of the piece promoted.
