

SUMMER CHESS IN THE PARK

(Entering grades K-8)

Instructor: Progress with Chess

Students of all skill levels are welcome and will thrive in our supportive environment, receiving lots of individual attention in a small group setting, surrounded by the beauty of Hudson Springs Park. Students new to chess will learn the basic rules and piece movements, while more experienced players explore strategy, tactics, checkmate patterns, and endgames. Activities include interactive lessons and problem-solving activities with ample time allotted for supervised open play. If attending the full day option, students should bring a bagged lunch. Includes daily short recess with opportunities for outdoor recreation. Price includes a chess set for each student to keep!
