

# Westlake Elementary AFTER SCHOOL CHESS CLASSES

Westlake Project Link and Progress With Chess are pleased to offer students in grades K-4 the exciting opportunity to learn and play the game of chess!

**No previous experience necessary** – students start at their own level. Instruction will be provided by **Progress with Chess**, a local nonprofit organization with over 20 years of experience providing chess programs in over 60 area schools and recreation centers. Sessions include lessons from our experienced instructors following the Progress With Chess curriculum, independent work, and structured open play in a supportive environment. ***Come join the fun!***
